LEBANON VA MEDICAL CENTER APPOINTS COMBAT VETERAN AS ASSOCIATE DIRECTOR

LEBANON – August 9, 2012

The Lebanon VA Medical Center (VAMC) is pleased to announce the appointment of Robin C. Aube-Warren, Associate Director. Aube-Warren was formerly the Associate Director at the VA Medical Center in Coatesville, PA.

Aube-Warren holds 20 years of experience working with various VA Medical Centers across the country. She first began her career in 1992 at Bay Pines, Florida working as a police officer, only to be promoted two years later to the Chief, Police and Security Services at the VAMC in Asheville, North Carolina. Aube-Warren held the position of Chief of Police at the Carl Vinson VAMC in Dublin, Georgia and also at the VAMC in Memphis, Tennessee.

Aube-Warren's experience in law enforcement comes not only from time spent in VA Medical Centers but also from the U.S. Army. She was an active duty airborne military police officer stationed at Fort Bragg in North Carolina. Before her retirement from the Army Reserves in 2006 at the rank of Major, Aube-Warren received multiple awards. Among her most notable were a shoulder sleeve insignia - former wartime service (combat patch) and the Armed Forces Expeditionary Medal for Operation Just Cause with the Invasion of Panama, and the Humanitarian Service Medal for deploying to the U.S. Virgin Islands after Hurricane Hugo.

Holding a baccalaureate degree in French from the University of Florida and a Master's degree in education from Troy University, Aube-Warren has benefitted from numerous training opportunities and is a strong proponent of staff development. She participated in the Network Executive Healthcare Leadership Institute and the Executive Career Field Candidate Development Program.

Aube-Warren graduated from the Combined Arms Staff Services School while in the Army Reserves and was recently awarded Fellow status from the American College of Healthcare Executives. She is a trained mediator and fellow certified mentor, as well as a beloved wife and mother of two.
